

BEAUTY SPOT

Ere Perez's family practised natural therapies for generations in Mexico, inspiring her to create her own healthy, natural makeup range in Australia. She uses colour pigments derived from earth minerals, crystals and gemstones, vitamins, organic oils and plant extracts blended with antioxidants.

There are only three steps to application, making this brand ideal for busy women.

Ere Perez naturals – tinted rice powder, \$34.95, almond oil mascara, \$26.95, rosehip oil lipbar, \$19.95, and powder brush, \$32.95 (www.ereperez.com).
