Summer glow

New Ere Perez Natural Vanilla Highlighter is a creamy, iridescent highlighter that features olive oil, Mexican candelilla wax, cocoa butter, avocado oil and grape seed oil. It softly illuminates the skin for a natural, shimmery glow on all skin tones. In a slimline compact with mirror, it is ideal for touch-ups on the run, and is perfect for accentuating brows, lips, cheek bones and chin. Also great mixed with your favourite moisturiser to illuminate the face and diminish fine lines. Available in one shade (Falling Star) to suit all skin tones.

RRP \$29. Stockist enquiries:
