## ELEVEN MINUTES

**PAULO COELHO**  
 Seriously sexy, this book tells how emotional vulnerability can be the biggest aphrodisiac.

## SIDDHARTHA

**HERMANN HESSE**  
 I always keep this book next to my bed. When life gets too complex, I simply journey home to Gautama Buddha.

## THE WINNER STANDS ALONE

**PAULO COELHO**  
 This is a twisted and terrific tale. It really paints a vulgar picture of the "superclass"

(Coelho's interpretation of the Hollywood set) during the Cannes Film Festival.

# Movies

## 1. THE HANGOVER

The comical delivery was perfect!

## 2. COCO CHANEL

This had me inspired.

## 3. AMORES PERROS

Starring Gael García Bernal (hottest Latino on the planet), this was nominated for an Oscar and is one of Mexico's most celebrated films. Powerful and all-encompassing!

## Beauty products

**1. ERE PEREZ** The best bronzer. It's all natural, and actually a rice powder with super staying power. And it's from Mexico, so I especially love it.

**2. INDIO EYE RISE** This is great after a late night, and the tube lasts a long time.

**3. MOOGOO MILK PRODUCTS**  
 The packaging is adorable (like old-fashioned milk cartons!).

My most inspiring idols...

## MY GRANDAD AUBREY GIBSON

He was a divine human being and an artist. I have never met anyone as giving, and doubt I ever will.

## DIEGO RIVERA

Art is my passion and Mexican artist Rivera is my favourite. I can gaze into his works for hours.

## MADONNA

I think now that she's 51, I have even more respect for her. **COSMO**

# Holiday destinations

## 1. Mexico

The Bay and street cafes are picture perfect – you can almost see Frank Sinatra and Judy Garland with umbrella-spiked pina colodas in hand!

## 2. Saint Tropez

Boasting the most impressive marina in the world, this is the ceiling of luxurious holiday destinations.

## 3. India

I had the luxury of experiencing a wedding of royal gala proportions at the Samode Palace, Jaipur.

 My favourite choice of bubbles for bellinis and champagne cocktails!

**2. KIR ROYALE**  
 Add a raspberry-flavoured black liqueur from France, such as Chambord.

**3. ST-GERMAIN ELDERFLOWER LIQUEUR WITH SODA WATER**  
 Cocktails are all about France for me.
